

## Index of Authors and Titles

The following index adheres to Icelandic practice and alphabetizes by given names, with patronymics in second position, except in the case of Danish (-derived) names (e.g., Melsteð). It lists names beginning with special Icelandic characters (þ, æ, ö) at the end. Short and long vowels are not alphabetically distinguished.

### A

Adam of Bremen 57, 144

*Ágrip af Nóregs konunga*

*sögum* 28–30, 66, 69–70,

79, 88, 114, 160
